**Yaringa Boat Harbour, Western Port, Victoria - Water Quality Management Plan
(EPBC 2011/6014)**

Dear Mr Rath

Thank you for submitting the above plan for approval in accordance with the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

Officers of the Department have advised me on the above plan, on your request to substantially commence the action, and on the requirements of the EPBC Act conditions of approval for this action. On this basis, and as a delegate of the Minister for the Environment, I have decided to:

- approve the *Water Quality Management Plan, Yaringa Boat Harbour Extension, Version 8, dated 22 February 2021*, in accordance with Condition 5 of the EPBC Act approval for 2011/6014; and
- agree to substantial commencement of the action, in accordance with Condition 13 of the EPBC Act approval for 2011/6014.

The above approved plan must now be implemented. Please note that the conditions of approval require that the approved plan be published on your website within 1 month of this approval.

Approval condition 11 for this project requires that if you wish to carry out the activity otherwise than in accordance with the approved plan that you must submit for the Minister's approval a revised version of the plan, and that the varied activity must not commence until the revised plan is approved by the Minister.

The department has an active monitoring program which includes monitoring inspections, and desktop document reviews and audits. Please ensure that you maintain accurate records of all activities associated with the conditions of approval, including implementation of approved plans, so that they can be made available to the department on request.

Should you require any further information please contact Tony Dowd on (02) 6274 1769 or postapproval@awe.gov.au.

Yours sincerely
